From Manager's Desk
of Kamla Nehru Group of Institutions, Sultanpur

Sri Vinod Singh

Secretary, Kamla Nehru Memorial Trust and
Ex. Minister of State (independent charge)
tourism, Govt. of Uttar Pradesh

The Kamla Nehru Group of Institutions was established under the dynamic and visionary leadership of Sr. K.N. Singh, who incepted the Kamla Nehru Trust as a promoting body of these institutions in the year 1971. The first institution known as Kamla Nehru Institute of Science and Technology, Sultanpur, was established in 1973 to pursue higher education at undergraduate and postgraduate level comprising of six faculties viz Ars, Science, Commerce, Law, Education and Engineering and Technology Faculties.

It's noteworthy to mention that Kamla Nehru Memorial Trust, Sultanpur is the first NGO to establish an Engineering College in northern India now know as Kamla Nehru Institute of Technology, a premier Institute at repute, now under AEGIS of the UP state Government supervision since 1982.

Encourage with an overwhelming response of the people of northern India in general and Eastern UP in particular, the Trust decided to have a seperate campus for professional courses to impart education at undergraduate and postgraduate level. The first in the series was faculty of Management studies in 2001-02, now assumed prominence as one of the 13 Top ranking institution of UPTU, also running BBA classes. In addition, Faculty of Pharmacy under Kamla Nehru Institute of Management and Technology was established in 2004.

In semblance with plans and projection motivated by the stupendous success, the Trust started Faculty of Engineering and Technology under college code 382 in the year 2008 as a self-finance entity to impart B.Tech courses in four branches, viz Computer Science & Engineering, information Technology, Electronics & Communication Engineering, Electrical & Electronic Engineering, Civil Engineering and MCA. The Institute started functioning with the prime objective to impart quality technical education, driven by scarcity scenario of the state after obtaining approval from the All India Council for Technical Education.

All the above faculties together with others like Agricultural, Physical Education and Nursing Science have been established in a sprawling 75 acres campus on NH-96 with beautiful serene ambience & surrounding, eco friendly environment with lush green vegetation, natural aesthetics through landscaping.

It is our earnest endeavor to maintain total education ensconced with excellence through state-of-the art infrastructure viz Lecture Halls, Sophisticated Labs, Libraries Hostels, Play Ground, Medical Center and other Student Amenities, supported by experienced and Highly Qualified & Experience Faculty.

The Institute strives to achieve all round development to be among the best in the state, with excellent placement of its students, providing the best and competitive atmosphere to enable the students carve a niche for themselves in their chosen field.

At the end, I extend my warm and affectionate welcome to all the candidates and urge them to strive hard and dedicate their heart and soul to make KNGI a Top Notch Institution in our country.

Vinod Singh

About Promoters

Sri K. N. Singh
Founder

The promoting body of the Kamla Nehru Group of Institutions is Kamla Nehru Memorial Trust founded in 1971 under the dynamic leadership of Late Sri. Kedar Nath Singh (1928-1999) a person of vision and action with firm commitment to help augment the economics and educational status of the people in eastern region of Uttar Pradesh especially in Awadh region, which was lagging behind upfront in develpment. Through his continuous struggle against poverty and his sacrifice for the poor Sri Singh maintained his untiring efforts for autonomy of the university and students participation in social and political movement. He fought for the social justice and welfare of the depressed and the downtrodden. He got elected as member of Parliament in 1971. He was inducted as Union Deputy Minister for Parliamentary Affairs (1971-74) and Agriculture and Irrigation (1974-77) in the Central Government. He conceptualized the need for establishing educational institutions, from primary to postgraduate level with excellence and high academic standards. With this vision, he founded Kamla Nehru Memorial trust in 1971 under the patronage of which the first Institution of higher learning named Kamla Nehru Institute of Science and Technology came into existence in the year 1973.

The Management of the Kamla Nehru Group of institution is headed by Sri Vinod Singh as Manager who is also the Ex-State Minister Tourism, (independent charge) of the U.P. Govt. (2007-12). It is under his vibrant and dynamic leadership and initiative that 3 professional colleges viz Engineering and Technology, Pharmacy and Management Studies together with allied faculties like Physical Education, Computer Education, Biotechnology, Nursing Science and Paramedical Sciences have grown with tremendous pace and progress during last 8 years.

Sri Vinod Singh
Manager

Mission Statement

Rapid technology advancements in late 20th century have changed the educational landscape resulting in requirment of a new breed of professionals for carving and breaking new frontiers for the country and world at large.

Keeping this fact in mind, The Kamla Nehru Group of Institution was established under the dynamic and visionary leadership of Late Sri K.N Singh. He founded the Kamla Nehru Memorial Trust as a promoting body of these institutions in the year 1971.

Institutions established by Kamla Nehru Memorial Trust

As a result of sustained efforts to meet the growing demands for technical and professional education, the Trust has established following institutions under the umbrella of Kamla Nehru Group of Institutions-

Kamla Nehru Institute of Physical and Social Sciences (1973)

Kamla Nehru Krishi Vigyan Kendra (1975)

Kamla Nehru Institute of Child Education (1984)

Kamla Nehru Institute of Information Technology (2002)

Kamla Nehru Institute of Management and Technology (2004)

Location

The campus for professional course is spread over an area of 75 acre at Faridipur with impressive buildings surrounded by manicured gardens, awesome greenery and lavished landscaping. It's about 8 km distance from Sultanpur and 5 km from the main campus KNI in National Highway-96 on Faizabad-Allahabad bypass road. Situated amidts scenic beauty and rural surroundings, the Institute has all the modern facilities of transport, communication and shopping. The total constructed area of the building is 535000 sq. feet. The campus is nestled within the jurisdiction of Sultanpur.

Objectives

1. To provide World Class quality technical education in engineering and science disciplines.
2. To nurture innovative and creative abilities of students and faculty.
3. To encourage enterprising spirit among the students.
4. To endeavor and promote techo-enterpreneuship.
5. To connect through network with leading national and international institutions, R & D organization and professional bodies.
6. To develop faculty competence to meet the challenges of rapidly changing technology Environment.
7. To promote industrial consultancy and sponsored R&D.
8. To strengthen relations with the alumni and involve them in the development of the Institute.
9. To transfer the benefits of Science and Technology to the society.

DEPARTMENT OF ELECTRONIC & ELECTRICAL ENGINEERING

Ever increasing pace of development in electronics and the automation in industry have made an electronic engineer a catalyst for the change of the modern society. Electronics gadgets and electrical systems of present age have tremendously improved the quality of life. With the pace of events throughout the world, it has become essential to have more efficient and latest electronic and electrical devices and circuits. Besides giving a through grounding in basis science and engineering lays greater emphasis in deep understanding of fundamental principal and state-of-the art knowledge of Electronic Devices & Circuits, Electrical equipment.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Computer has revolutionized not only the data processing and storage, but also the quality of life, communication, manufacturing and transportation. PC, Laptop, Internet and tele conference has become a household commodity. Department of Computer Science & Engineering has state-of-the art laboratories in the various field of Computer Engineering, development & testing lab, etc. The curriculum in Computer Engineering lays great emphasis on design and development, in addition to software packages.

DEPARTMENT OF INFORMATION TECHNOLOGY

Recent advancement in the areas of computers, softwares, networks, internet, communication, technology, distributed computing has made huge amount of information available to us. In this high-tech era, information is something without which industry and individuals cannot survive and their success depends on the ability to acquire accurate and timely information. In the recent years, the world has seen the area of Information Technology rapidly growing. The Department of Information Technology has state-of-the art laboratories.

DEPARTMENT OF ELECTRONIC COMMUNICATION

The Department of Electronics and Communications Engineering is healed by professors and lectures who are expert in their own disciplines, aims at educating and training students with sound knowledge and awareness in the latest trends in electronics, communication and information technology.

Keeping in line with fast changing technology, the department has a well designed, constantly reviewed syllabus to incorporate all advancements in existing and emerging technologies, The state-of-the art laboratories complement the high standards set by the competitive syllabus and nurture the inclination of the students towards research and development, besides giving them the necessary and sufficient backing of practical knowledge that they need.

DEPARTMENT OF CIVIL ENGINEERING

The Department churns out Civil Engineers with academic excellence and practical expertise, well equipped laboratory and library facilities, support the students throughout their course. Apart from the regular teaching activities, the Department does Consultancy work especially in the fields of Concrete Cubes Testing, Highway Materials Testing, Soil Testing and Environment Engineering and conducts student Advancement Programs Scholarship on merit are given to the deserving students every year.

DEPARTMENT OF MCA

The Department is conducting the Master of Computer Application (MCA) programme with authorized intake of 60 students. The Department is having adequate classrooms with proper seating arrangement and computer labs with Pentium-IV computers. One of the computers lab has latest Corexduo PCs working on windows NT/Linux platform. Each lab is fully equipped with requisite software and optimally complements the needs of students and faculty allike. The labs are exemplary in terms of maintenance and upgradability. Both the labs have Internet connectivity of 8 Mbps Bandwidth. The labs are supported by qualified Instructor and Assistants.

Eligibility for Admission to B.Tech Program

Admissions through GBTU counselling for Ist Year

The students who have passed (10+2) examination with Physics and Mathematics and have passes UPSEE - 2012 examination can opt through UPSEE counselling in any branch.

Direct Admission to Ist Year under Management Quata

a. Firstly by the qualified candidates of SEE GBTU who fulfill the Eligibility. Their relative merit will be decided based on their rank in SEE GBTU-2012

b. Secondly by the qualified candidates of All India Engineering Entrance Examination (AIEEE-2012). Their relative merit will be decided based on their rank in respective Entrance Examination.

c. Thirdly, by the merit of candidates who have passed Intermediate examination of UP board or (10+2) level examination with Physics and Maths or its equivalent from any recognized Board/University, securing minimum (40% for SC/ST) marks in aggregate.

d. Those students who have not appeared in UPSEE, can apply directly for Management Seat as per GBTU norms.

For Admission to Second Year B.Tech Program

Student who have passed diploma or B.Sc. (Maths) with minium 50% marks can opt through UPSEE counselling for second year in any branch. Students can also send their application directly to Institute for admission in second year.

B. Pharma

Academic Faculties

FOR A PHARMACY STUDENTS IT IS SAID "A PHARMACY STUDENT IS JACK OF EVERYTHING BUT MASTER OF NONE"

However, today the above saying does not hold true due to paradigm sift in the curriculum and method of teaching. Through present curricula and methods, we prepare a Pharma graduate to show his performance in research production, development, marketing, management and many other areas of his/her interest with excellence and distinction.

Scope of Pharmacy

1. Career opportunities for pharmacist are numerous.
2. Pharmacists have the potential to work in diverse areas of pharmaceutical & Health care like :-
   - Pharmaceutical manufacturing.
   - Pharmaceutical Research & Development.
   - CRO-contract research organization.
   - Pharmaceutical Marketing and Management.
   - Hospital Pharmacist.
   - Pharmaceutical manufacturing.
   - Clinical Pharmacist.
   - Pharmaceutical Data Analyzer/Monitor.
   - Government Ministries.
   - Pharmaceutical - BPO.
   - Health Plan Journalism.
   - And in Academicia.

B. Pharma

The curriculum of 4 years (VIII semester) includes different subject which provide to the student a thorough knowledge and skills of various innovative fields. The four year curriculum is imparted through following six departments-

- Pharmaceutics
- Pharmaceutical/Medicinal Chemistry
- Pharmacology
- Pharmacognosy
- Biotechnology

Organizing theory through innovative methods followed by facilitation through assignments tutorial and counselling by the faculty is the core method of effective teaching which practical in the Pharma education at KNIMT.

While designing lesson for B.Pharma Programme the utmost care has bee taken to give maximum exposure to analytical processes, methods and practices together with theoretical framework in the theory classes.

Thrust on Effective Teaching Methods

Updation and perfection revision are necessary to cope up the manpower demand with quality for research organization. Teaching is designed to suit the students as per their present need. Salient features of the Pharma education in KNIMT are :

- ◆ Arranging seminars in collaboration of renowned institutions, industry and research organization.
- ◆ Demonstration of new trends, eco techniques through video films and other computer aided teaching methods.
- ◆ Development of personality & communication skills of students.
- ◆ Bimonthly quiz Participation of student in National and International seminars.
- ◆ Visit of students of various Pharma Industries & research organization.

Thrust on Effective Teaching Methods

Department wise fully equipped labs that extend facilities in conformity to GLP (Good Laboratory Practices). Vital component of technical education is practical knowledge. Consistent emphasis is laid on improving practical knowledge of students by incorporating latest equipment.

Department of Pharmacology

Labs : Pharmacology lab, animal house, pharmacology research lab, smoking chamber, anatomy & physiology lab and community lab.

Instrument/Equipment

Histamine chamber, pole climbing apparatus organ bath with assembly, plethysmograhp operating table, hot plate, Electro convulsiometer, Rota rod apparatus, Digital thermometer.

Department of Pharmaceutical Chemistry

Labs : Chemistry Lab, Instrument Lab, Analysis lab. Balance room, Physical Chemistry lab.

Instrument/Equipment

UV double beam spectrophotometer, Colorimeter, Flourimeter, Flame photometer Polarimeter, Electronic balance, Conductometr, Potentiometer, pH and FTIR meter, Refractometer, melting point apparatus, Single pan donar balance.

Department of Pharmaceutics

Labs : Machine room, Pharmaceutical lab, Engineering drawing lab, Physical pharmacy lab and clinical pharmacy lab

Instrument/Equipment

Capsule filling machine, Tablet punching machine, Tablet polisher and coating machine Six station dissolution apparatus, Disintegration apparatus, Digital viscometer, Friability apparatus, Crimping machine,

Ball mill, Humidity and temperature control oven Pfizer hardness tester, Reynolds apparatus, Venturimeter, Orifice meter, Bernoulli's theorem, Pipe losers in fitting.

Department of Pharmacognosy

Labs : Pharmacognosy Lag.

Instrument/Equipment

Vacuum, Muffle furnace, Soxhlet, Clevernger, IR moisture Balance, Column chromatography, UV fluorescence analysis, cabinet.

Department of Biotechnology

This is upcoming division with following facilities.

Labs : Microbiology lab, Aseptic room, Biotechnology lab.

Instrument/Equipment

BOD incubator, Autoclave, Hot air oven, Laminar air flow. Colony counter, Incubator, Autoclave, Hot air oven, laminar air flow. Colony counter, Incubator Rotary shake incubator, Freeze, Electronic balance.

M. Pharma [Code-186]

Pharmaceutical Chemistry • Pharmaceutics • Pharmacognosy

Eligibility for Admission to B.Pharm/M.Pharm

For Admission to Ist Year of B. Pharm Program through UPTU Counselling

Candidates must have passed Intermediate Examination of UP Board or 10+2 level & its equivalent with physics, Chemistry and one out of the Mathematics, Biotechnology, Computer Science and Biology from any recognized Board/University and should have appeared in SEE GBTU 2012, the candidate will be admitted through GBTU counselling.

For Admission to IInd Year (Lateral Entry) of B.Pharm

Candidates who have passed 2/3 year Diploma in Pharmacy from an institution located in UP with minimum 60% marks and recognized by the Board of Technical Education, UP are eligible for a admission to second year of B.Pharma. For Direct Admission to Ist Year as GBTU-2012 Norms (NRI Candidates/Vacant seats) after counselling of SEE-GBTU-2012

a) Those who have passed intermediate examination of UP Board or (10+2) level examination with physics, chemistry and any one out of the mathematics, Biotechnology, Computer science and Biology as per GBTU-2012 Norms.

b) For M. Pharma, B. Pharma Ist Div.

MBA

Academic Faculties

Institute's Snapshot

Guided by the vision of its founder, the institute has taken several initiatives in its pursuite for excellence. KNIPSS Management Institute (GBTU Code 135) firmly believes in producing results and action oriented business leaders who can manage change in an increasingly uncertain often chaotic business environment. The following pedagogical initiatives have lent a cutting edge to our academic program-

a. Focus on case study methods, Role play and team work.
b. Inviting practicing managers and renowned academicians for special classes.
c. Providing a faculty mentor to promote holistic development of every individual.
d. 360 degree assessment round the year.
e. Formal training in soft skills.
f. Strengthening English speaking through software based language lab.

Industrial Visit

The Institute undertakes at least two industrial visits in MBA program as part of academic curriculum. Some of the Industrial visits convened by the institute are :

a. Kingfisher (Goa)
b. Britannia (New Delhi)
c. BHEL (Jagdishpur)
d. UB Group (Goa)
e. PEPSICO (Goa)

Language Development

Good communication skill is essential for a successful career; therefore it is imperative to give special cognizance to language development. Towards this pursuit the institute the institute has develop a well equipped language lab to facilitate learning with scientific tools.

Academic Tie-up

The institute has tie up with various management Institutes and promotes knowledge base participation by inviting many eminent personalities from the premier institute to carry seminars and technical session to induce practical learning.

Work Shops

Various workshops are recognized by the Institute for the practical application of the theoretical frame work. Such workshops help the students to abreast themselves with the contemporary issues of the market. Some of the workshop which have been recently organized are workshop on six sigma, Kaizen, Lean, and technical analysis.

Industrial Participations

The Institute invites corporate professional for the technical session. Such session are designed to teach the students with practical modalities of the professional world. The companies which recently held technical sessions are WNS Mumbai, Birla Sunlife, Eureka Forbes, Vodafone etc.

MBA

Code - 135
Approved by AICTE

Summer Training

For providing summer training the institute has organized various corporate-students interaction sessions. Few of the companies are also providing job opportunities though summer training programs Like - Reliance Money, Max new York etc. The Major companies which are providing the summer training include BHEL, ONGC, KARVY, ICICI, HAL, INDO-GULF, COCA COLA, PEPSICO, ITI, BSNL, RELIANCE, AXIS BANK, NTPC etc.

Orientation Program

The Institute runs a specially designed orientation program for 7 to 10 days at the beginning of first semester intended to help th fresher to revive fundamental concepts in Mathematics, Accountancy, Business Communication, etc. It helps them to naturalize with environment of professional course.

Guest Faculty

The Institute organizes guest lectures twice every month. Some of our renowned guest faculties are-

1. Dr. H K Singh (Deptt. of Commerce, BHU)
2. Dr. N L Sharma (Director, KCMT)
3. Dr. G C Agarwal (Pro-Vice Chancellor, Allahabad University)
4. Prof. Nich Rohertoon (USA)

Mentoring

The Students are divided in groups and assigned to the mentors. The mentors, being that faculty of the institute helps the students in solving their problems and guides them in improving their performance and personality.

Pedagogy and Teaching Aid

To make the teaching interested and to the desire goal, the faculty uses vaiey of teaching methods viz-

1. Chapter summary by students
2. Power Point Presentation
3. Role play
4. Business games
5. Quizzes

Teachers use latest multimedia audio visual Aid like LCD projector , microphones, and computer routinely to make teaching more interactive.

Management Festival

A Management Festival is organized once in every year. The students from various institutes take part in it. They participate in various events like Paper presentation, Debate College, Rangoli, Extempore, Ad mad show etc.

National Seminar

A National Seminar is organized every year on the contemporary issue. The students present their paper along the corporate managers and renowned academicians. This year seminar was organized on the Topic Chipping in corporate partnership in profession able education in which delegates from India and abroad participated and presented their research paper.

MBA

Code - 135
Approved by AICTE

Seasonal Celebrations

The cultural heritage of India occupies great deal significance in every Indian heart. The Institute celebrates seasonal festival like Holi, Diwali, Id, Christmas with students who join hand in organization such events.

Computer Lab

The Institute has well a equipped computer lab with PC's of latest configuration and broad band internet connection with a capacity to accommodate 120 students at a time.

Alumni Association

The Institute has a well functional and vibrant alumni association which has proved to be very instrumental in student's placement. Moreover the Institute organizes Alumni Function "MILAAP" every year in which the Alumni share their experience ans inspire the students with their valuable thoughts.

Library Facility

The institute has well furnished and a enrich library with a capacity of accommodating 120 students at a time. The library equipped with more than 5000 books, 35 journals out of which 12 are international, 7-E journals.

Eligibility for Admission

Admission to 1st year of MBA through GBTU counselling

For admission in first year of MBA on free seats, the candidates must have qualified GBTU Examination and has secured at least 50% marks in graduation (45% in case of SC/ST) and has opted the college through counselling process.

Direct admission to 1st Year though Management Quota/Vacant Seat

a. The candidate qualified in SEE GBTU and has the desired qualification will be preferred. Rest of the merit will be decided on the basis of rank secured in SEE GBTU-2012

b. The preference will be given to the students qualified in the CAT Examination.

c. Thirdly candidate who has passed in graduation in any stream with at least 50% marks (45% in case of SC/ST), may apply for 50% Management seat. (Subject to GBTU norms.)

SPECIALIZATION Marketing • HR • Finance • IB

Instruction for Students

Welcome to the KNGI Faridipur, Sultanpur Congratulation for selecting this group for your carrier inhancement and we assure that you are in safe hands. To avoid getting into an unpleasant situation you are advised to go through the instruction carefully.

- Classes for Old semester will start from 6th. Aug 2012 & for Even semester from 15th Jan 2013
- Fee structure of B. Tech. /MCA/MBA/B.Pharma./ M.Pharma

For B. Tech. except MCA, IT and Lateral entry

a. 1st Sem - Rs. 40,000/- including Registration fee Rs. 10,000/ & Caution money Rs. 5000/ (Payably in advance at the time of admission). Caution money is refundable after the completion of the course (which ever is earlier).

b. For all subsequent sem Rs. 35000/ per sem (Payable in advance before the start of each sem.)

For Students of MCA, IT and lateral entry

a. 1st sem Rs. 30,000/ including Registration fee and caution money (payable) in advance at the time of admission)

b. For all subsequent sems Rs. 25,000/ per sem (payable in advance before the start of each sem.)

All students seeking admission to MBA/BBA/B. Pharma should contact the respective Director for details of fee structure and other information.

Hostel Allotment

i) Hostel will be allotted to the students subject to the availability of seats in the Hostel.

ii) Hostel Rooms will be allotted on the basis on first cum first serve.

iii) Preference will be given to the fresher's.

Hostel/Mess Fee-

i) Hostel fee Rs. 8,000.00 per sem.

ii) Mess fee Rs. 9,000.00 per sem.

All Hostel/Mess dues are payable in advance before the start of each sem. Only those students who deposite the fee in advance will be allotted the Hostel room. All the Students will have to deposite the Hostel/Mess fee along with the Tuition fee in cash and obtained the receipt from the fee counter.

- Defaulters will not be allowed to continue their study and stay in the Hostel.

- As per GBTU, Lucknow norms, it is mandatory for every students to maintain at least 75% attendance in each sem separately, failing which he/she will be debarred from appearing in the GBTU examination. Parents/guardians are requested to please note it and keep in touch with the institute authorities, This will go a long may in ensuring the presence of students in their respective classes and for parents/guardians to keep track of the academic progress of their wards.

- All students have to follow stickily the prescribed dress code on the campus.

- Students should always keep the identity card whether they are on the campus or out side it.

- Free bus service for girls between the girl's hostel and faridipur campus (for the hostel inmates only) is available. All other users will have to pay @ Rs. 300/- per month or Rs. 1750/- per sem or Rs. 3000/- per academic year in advance.

Note : No other person who so ever will be legible to travel by institute bus without payment of prescribed amount.

It is important for every student to keep away from ragging (a punishable offence) in his/her own interest. Those found indulging in such activities will be delt with severe punishment including expulsion from the Institute/Hostel/Handing over to Police.

All the students are expected to help in building a healthy academic and social environ-ment in the Institute/Hostel. Hostel inmates should not damage/temper with or destroy any hostel/mess preporty. Those found indulging in such activities will be open to severe punishment (fine/ expulsion) from the Hostel. Consumption of liquer, Pan Masala, Smoking and any other type of toxicants is totally prohibited on the campus or in the Hostel. Guilty will be punished. Students should not keep their cash/expensive longing such as cameras, Laptops, Mobile phones and jewellery etc in the Hostels. The possibility of their thefts/loss is always their.

Important Note : Refund of fee (if any) will be made as per the Institute rules.

Warning Against Ragging

AICTE directives on ragging are given below for guidance of students. PREVENTION AND PROHIBITION OF RAGGING IN TECHNICAL INSTITUTIONS AICTE VIDE ITS F.NO. 37-3/legal/AICTE/2009 dated 25.03.2009 has notified REGULATIONS 2009 for prevention an Prohibition of Ragging in Technical Institutions.

Various Types of Ragging :- The Raghavan committee Constituted by the Hon'ble Supreme Court has, inter-alia, mentioned the following types of ragging-

1. Ragging has several aspect with among others, psychological, social, political, economic, cultural and academic dimensions.

2. Any act that prevents, disrupts or disturbs the regular academic activity of a student should be considered within the academics related aspect of ragging, similarly, exploiting the services of a junior student for completing the academic tasks assigned to an individual or a group of seniors is also an aspect of academics related ragging prevalent in many institutions, particularly in the technical Institutions.

3. Any act of financial extortion or forced expenditure burden put on junior students should be considered as ragging of economic dimensions.

4. Any act of physical abuse including all variants of its : sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to the health or person can be put in the category of ragging with criminal dimensions.

5. Any act or abuse by spoken words, e-mail, snail-mail, blogs, public insults should be considered withing the psychological aspects of ragging. This aspect would also include deriving perverted pleasure, vicarious or sadistic thrill form actively or passively participating in the discomfiture to others; preparing 'Freshers' in the run up to their admission to higher education and life in hostel also can be ascribed as a psychological aspect of ragging-coping skills in interaction with seniors or strangers can be imparted by parents as well. any act that effects the mental health and self- confidence of students also can be described in terms of the psychological aspects of ragging.

6. The political aspect of ragging is apparent from the fact that incidents of ragging are low in institutions, which promote democratic participation in governance and decision making within the institute bodies.

7. The human rights perspective of ragging involves the injury caused to the fundamental right of human dignity through humiliation heaped on the junior students by seniors; often resulting in the extreme step of suicide by the victims.

Action to be taken against students for indulging and abetting in Ragging in technical institutions, Universities including Deemed to be University imparting technical education –

1. The punishment to be meted out to the persons indulging in ragging has to be exemplary and justified harsh to act as deterrent against recurrence of such incidents. The students who are found to be undulged in ragging should be debarred from taking admission in any technical institution in India.

2. In every single incident of ragging a First Information Report (FIR) must be filed without exception by the Institutional authorities with the local police authorities.

3. Depending upon the nature and gravity of offence as established by the Anti-ragging Committee of the Institution the possible punishments for those found guilty of ragging at the institution level shall be any once or any combination of the following-

i) Cancellation of Admission.

ii) Suspension from attending classes.

iii) Withholding/withdrawing scholarship/fellowoship   ans other benefits.

iv) Debarring form representing the institution in any regional national or international meet, tournament, Youth Festival etc.

v) withholding Results.

vi) Debarring form representing the institution in any regional, national or international meet, tournament, Youth Festival etc.

vii) Suspension/expulsion form the Hostels.

viii) Rustication from the Institution for period ranging from 1 to 4 semesters.

ix) Expulsion form the institution and consequent debarring from admission to any other institution.

x) Fine of Rupees 25,000/-

xi) Collective punishment : when the person committing or abetting the crime of ragging are not identified, the Institution shall resorts to collective punishment as a deterrent to ensure community pressure on the potential raggers.

4. The Institutional authority shall intimate the incidents of ragging occurred in their premises along with action taken to the council and immediately after occurrence of such incident and inform the status of the case time to time.

Co-Curricular Activities

The Institution encourages the students to participate in games, sports and cultural activities and encourages its students to participate in similar events organized by other institutions form time to time.

Game & Sports

For the fitness conscious, there is provision of gymnasium and a number of indoor as well as outdoor games withing the premises of the Institution and the hostel.

The Teaching Work

Institution is committed to create a benchmark in Technical Education and Training and Equip the students to meet challenges of making good Engineers.

The institution also believes that professional and meaningful education ought to be supported by development of appropriate skills in the students. The curriculum for various courses conducted by the Institution tries to empower the students to keep updating their knowledge and skills later in life keeping pace with the information explosion and technological developments.

The Institution also acknowledge the fact the innovation in teaching and training is absolutely necessary in the modern day world. Highly experience and practicing professionals are invited to support the full-time faculty in the teaching wok at KNIPSS. A large number of guest lectures are also arranged during the academic session to supplement the class room teaching. The faculty members are encourage to participate in seminars/symposia and the events organized by academic institutions and cultural organizations with a view to keeping in touch with the real world timeframe of reference.

The Institution gathers feedback on the effectiveness of the teaching on dispensing the subject-matter. This information is sifted, analyzed and discussed with the faculty members for making necessary amendments in the teaching methodology.

Placement

Training and details to provided by vice services a special cell looks after the placement of KNIPSS students in relevant industries. The institute is quite conscious of its responsibility to properly guide and help the potential students to choose an appropriate course of study. The placement cell maintains regular contact with the production houses, companies et al for the placement of students once their education and training is over. High quality of education and training imparted by KNIPSS meets the expectations of the Industries. The good reputation enjoyed by the Institution is indeed helpful to students in finding work in their work option in parity with expertise. Campus selections are also arranged for the placement of students.

Students Amenities

Hostel Facilities

The Hostel provides a cot, a study table, a chair and a cupboard for each student Hostel has water Cooler, Common TV Room, Common Reading Room etc. Adequate dining facilities are available for all students. Membership to any of the mess run on the campus is compulsory. Hostels have Out door and Indoor games facilities. Students will be provided double/triple rooms only. Here the students stay in healthy environment and perfect living conditions along with friends to share the precious moments of life. Students must occupy rooms specifically allotted to them. They are not allowed to change rooms expect with the written permission of the Chief Warden. However, students can give their choice within first few days. Hostels has a Resident Lady/Gent Warden.

Girls Hostel

Boys Hostel

Security

All the premises and hostel are always under watch by guard who are responsible for ensuring safety of property and prevention of unauthorized access to these places. We take all necessary precautions to instill confidence in the minds of students and guardians alike.

Transport Facilities

The Institute has its own coaches and skilled staff to ferry the students from Hostel to Institution and back. Transport facilities are also available for students to go out to the city for essential purchase at regular intervals. Since the institute has its own transportation it becomes very convenient to plan excursion/industry tour etc.

Medical Aid

The Institute has excellent liaison with reputed medical centers of the city. which are available to out students in case any medical attention is required. These medical centers are well equipped to provide Medical Care, Ambulance, and Health Check-up etc.

Banking
